

# The Garces-Pulatie Art Scholarship

The purpose of the Garces-Pulatie Art scholarships is to provide financial aid to a student who is interested in pursuing an education in the arts.

Art comes in many forms - from drawing to painting, to writing to photography, and expands into building, decorating and instructional design. Either way, it's a gift that must be explored and nurtured — a gift that must be shared with the world.

An education in art may lead to a meaningful career for creative students. To pursue art and turn it into a career, the student must have true talent and a passion for expressing that talent and using their skills.

My husband and I started this scholarship to help those who never gave up on being an artist. We understand the struggle and challenges of being an artist, especially when wanting to make it a career.

If you have an interest in this scholarship, please complete the form and information below and share some of your work with us. We are excited to learn about you and your passion and expectations for the future. This scholarship is for \$500.

D. Jo Garces and Tommy Pulatie

# The Garces-Pulatie Art Scholarship Application

Student's Name \_\_\_\_\_ Age \_\_\_\_\_ DOB \_\_\_\_\_

School(s) you're applying to \_\_\_\_\_

Intended minor/major \_\_\_\_\_
